This program is made possible by YS OFA’s Elder Abuse Education and Outreach Program.

World Elder Abuse Awareness Day (WEAAD) is commemorated each year on June 15th to highlight one of the worst manifestations of ageism and inequality in our society, elder abuse. Elder abuse is any act that causes harm to an older person and is carried out by someone they know and trust, such as a family member or friend. The abuse may be physical, social, financial, psychological, or sexual and can include mistreatment and neglect. Time and itinerary to be determined.
